

eSmart – Resources in Your Language & Parent Survey

Use this QR code or [CLICK HERE](#) to let us know you have read the article!

I have been fortunate enough to participate in a series of webinars on varying aspects of cyber safety and digital citizenship over the past fortnight, run by the office of eSafety and I hope to share some of what I have learnt with you in the coming weeks.

One resource I discovered was a range of resources in different languages on the eSafety site to assist parents. Vermont Primary has a rich and culturally diverse community, so I am hoping that most families, for whom English is a second language, will find these links to resources on keeping children safe online helpful:

- [Arabic](#)
- [Cantonese \(Chinese Traditional\)](#)
- [Dari](#)
- [Dinka](#)
- [Filipino \(English/ Filipino\)](#)
- [Hazaraghi](#)
- [Khmer](#)
- [Korean](#)
- [Mandarin \(Chinese Simplified\)](#)
- [Pacific Islands \(English\)](#)
- [Persian](#)
- [Somali](#)
- [South Asian \(English\)](#)
- [Thai](#)
- [Turkish](#)
- [Vietnamese](#)

If you do access these resources, I would love to know what you thought of them. You can use the QR code or link at the top of the article to let me know.

Finally, this week there is the opportunity for you to give me some feedback via the annual parent survey. Feedback from our parent community is always highly valued at Vermont Primary, so I would love to hear your thoughts. Please [CLICK HERE](#) to complete the survey.
