

Visual Arts Term 1 2022

Welcome to our newly appointed Student Art Leaders.

These leaders already very busy, helping with a “Design A Pick” competition, organising a Digital Art exhibition and presenting Wow Work at assembly.

Foundation

This term, as well as learning about the rules & responsibilities of the Art room, Foundation students have been learning about and using a variety of lines. Here are a few awesome examples:

Level 2

This term students created a self portrait using simple lines and shapes. They also explored primary colours and made an artwork inspired by Piet Mondrian.

Level 3

This term Level three students have been experimenting with a variety of materials and techniques to create landscapes. Here are some amazing examples:

Level 4

Level four started the term with printing activities, the results being used in the making of contemporary portraits using complementary colours.

Here are some impressive examples:
